

# REFERRALS

They really pay off

Many of our employees have come to us through word of mouth from other employees. These new hires tend to be as valuable and dedicated as the good employees who refer them, and Idaho Falls Community Hospital would like to thank current employees who are successful at recruiting for open positions.

After the new hire reaches their 3-month anniversary date you will receive our thanks according to the payment schedule below as long as you are still a current employee of Idaho Falls Community Hospital in good standing.
